Jason R. Somrajit

UI Designer and UX Researcher | Focus on User-Centered Design
Baltimore, MD | jasonrsomrajit@gmail.com | LinkedIn | Portfolio

Professional Summary

I'm a UI designer and UX researcher with over three years of experience creating accessible, responsive, and user-focused digital experiences. I thrive at the intersection of design and technology—whether I'm wireframing a new interface, conducting usability testing, or writing code to prototype an idea. I enjoy collaborating with cross-functional teams to bring clarity and simplicity to complex problems

Highlights

- UX/UI Design & Strategy
- Wireframing & Prototyping (Figma, Sketch, Adobe XD)
- Project Management
- Usability Testing & User Research
- Brand Management
- Data Analysis & Reporting
- Responsive Web Design (HTML, CSS, Script)
- Accessibility (WCAG) & Inclusive Design
- Cross-Functional Collaboration
- Accessibility & Localization
- Agile Methodologies

Professional Experience

Program Administrator (Remote)   Greenbelt, MD
National Fenestration Rating Council   Oct 2022 - Present

- **Leadership & Project Management:** Directed redesign of two primary websites, increasing user engagement by 15%. Managed all phases of the project, including planning, coordination, and execution, ensuring alignment with UX best practices and business goals.
- **Cross-Functional Collaboration:** Collaborated with cross-functional teams (designers, developers, content creators) to optimize site structure and functionality, improving user satisfaction and content accessibility.
- **Team Development:** Developed and led internal training programs on design tools and CMS workflows, equipping team members with the necessary skills to streamline the content management process.
- **Strategic Planning & Reporting:** Managed client expectations, monitored project timelines, and reported on performance metrics to senior management, ensuring projects met key performance indicators (KPIs).

Repair Coordinator (Contract, Remote)   St. Louis, MO
Enterprise Fleet Management   Oct 2023 – Aug 2024

- **Process Improvement & Documentation:** Designed internal training materials that significantly reduced user errors, contributing to a 94% drop in reporting mistakes. Led

efforts to streamline internal processes, improving team efficiency and adoption of new systems.
· **Management of Cross-Departmental Projects:** Coordinated efforts between departments to optimize workflows and ensure smooth implementation of system updates.
· **Stakeholder Engagement:** Collaborated with key stakeholders to ensure alignment of technical and design solutions with organizational needs.

Trust Specialist (Contract, Remote)   St. Louis, MO
Edward Jones   Oct 2022 – Jun 2023
· **System Redesign & Process Automation:** Assisted in redesigning user-facing dashboards and internal systems during a platform migration. Managed project tasks and coordinated with teams to ensure timely implementation of design changes.
· **Data Management & Optimization:** Led data cleanup and automation projects using Excel and Python, improving process efficiency by 30%. Delivered actionable insights to stakeholders, optimizing workflows and system performance.
· **Leadership in Usability Testing:** Spearheaded usability testing initiatives to gather user feedback and iterate on design solutions, ensuring improvements were aligned with user needs.

Certifications

- **Graduate Certificate, Advanced UX Research**, University of Baltimore | 2025
- **Graduate Certificate, User Experience (UX)**, University of Baltimore | 2023

Education

M.S. in Interaction Design and Information Architecture
University of Baltimore, Baltimore, MD | 2025

B.S. in Simulation and Game Design
University of Baltimore, Baltimore, MD | 2023
- Dean's List, Helen P. Denit Honors Program

Technical Proficiencies

- **Operating Systems**: Linux, Windows, Apple
- **Design Tools**: Adobe XD, Figma, Axure, Balsamiq, Sketch
- **CMS**: WordPress, Wix, Terminalfour, Webflow
- **Web Development**: HTML, CSS, JavaScript
- **Programming Languages**: C#, JavaScript, Python,
